**SUBMISSION OF NEWLY-SIGNED AND DATED DECLARATION**

Sir:

Examiner Dang recently telephoned Applicant's Attorney to say that the Declaration filed on July 21, 2004 was found to be defective because inventor Arieh Gertler did not include the date on which he signed the Declaration. In order to correct this defect, Applicant's Attorney attaches hereto a substitute Declaration that has been signed and dated by both inventors.

Respectfully submitted,

Date: November 20, 2007
